The student is responsible for providing copies of all records of withdrawal during prior training. It is recommended that students with a significant portion of their training completed at another institution who wish to transfer to a different school do so with abundant caution due to potential differences in curriculum requirements.

Students with previous training outside of California must furnish documentation of training received and clock hours earned to the California Board of Barbering and Cosmetology. The Board will evaluate such training and notify the student in writing the required number of hours and practical training that must be completed to qualify for the state licensing examination.

All such applicants must complete the enrollment process at the Bay Area Hair Institute, LLC and are subject to an hourly rate for each additional hour of training required by the state.

WITHDRAWALS AND REFUNDS

Any student has the right to cancel an enrollment agreement and obtain a refund of charges paid through attendance at the first class session or the seventh day after enrollment, whichever is later. As an enrolled student:

You have the right to withdraw from a course of instruction at any time. The institutional refund policy for students who have completed **60%** (60 percent) or less of the course of instruction shall be a pro-rata refund. Cancellation shall occur when written notice of cancellation is provided at the school's address shown on the top of the first page of the Enrollment Agreement. You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid.

Notice of cancellation must be addressed to The Bay Area Hair Institute, LLC, 1133 El Camino Real, Suite 1, South San Francisco, CA 94080-3288, Attention: Director. If the Enrollment Agreement is canceled by the student, the school will refund any money that was paid, less any non-refundable charges clearly shown on the Enrollment Agreement. Any refund due will be processed within 45 days after the Notice of Cancellation is received.

You are obligated to pay only for educational services scheduled up to the date of cancellation and for unreturned equipment. The refund shall be the amount you paid for instruction multiplied by a fraction, the numerator of which is the number of hours of instruction scheduled up to the date of cancellation, which you have not received but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid.

If you have paid more than the amount you owe for the time you attended, then a refund will be made within 45 days of withdrawal. If you owe more than the amount you have already paid, you will have to coordinate payments.

PROBATION AND DISMISSAL

The Bay Area Hair Institute, LLC reserves the right to suspend or terminate any student whose conduct is inappropriate and disruptive to instruction. Students will be expected to fully observe the policies and rules of conduct of the Bay Area Hair Institute, LLC and all requirements of the Board of Barbering and Cosmetology. Such conduct includes excessive absences or tardiness; failure to maintain satisfactory progress; inappropriate behavior or lack of respect shown to instructors or toward another student, staff member, or client; failure to abide by school rules and regulations; failure to meet financial obligations; any other conduct deemed sufficiently disruptive of instruction so that, in the estimation of the Instructor or Director, continued instruction is not a reasonable or constructive proposition. Immediate expulsion may be necessary under certain circumstances.

Students suspended or terminated may request reinstatement in writing to the Director after at least 30 days. Decisions on reinstatement will be at the sole discretion of the Bay Area Hair Institute, LLC.

Students are also subject to the following school attendance policy.

ATTENDANCE POLICY

Students must maintain successful attendance. Students will be expected to arrive no less than ten minutes before starting a class. If a student is late, it will be the Instructor's prerogative about whether the student may participate in the class. Students will be expected to register their time by clocking in and out using a time clock at the beginning of a class, a 30-minute lunch break, and at the end of the class. Students clocking in after their scheduled start time or taking longer than a 30-minute lunch break will have 15 minutes deducted from their hours for every minute missed after each quarter-hour.

Students must call the school a minimum of 15 minutes before the scheduled start time and notify the school of each day of absence. Failure to abide by this requirement will result in a no-show or absence for the day. Students who have two or more unexcused absences in one month will receive a written warning notice and may be withdrawn depending on prior absences and attendance percentage. Three or more written warnings will qualify a student for expulsion. Students who have three or more no-shows or absences, or miss two or more Saturdays during their training without a doctor's note, will be dismissed.

Specific incentives may be offered to students who maintain perfect attendance each month.

Unexcused Absences: These include, but are not limited to, no-show, late, calling in late, calling in absent, calling in sick, leaving early and being sent home due to a disciplinary issue, etc.

Excused Absences: An absence is excused with an approved request form completed at least one week before the absence or a doctor's excuse submitted to the office. Not all illnesses require medical attention. The school will exercise reasonable discretion in excusing absences that are not chronic due to flu, sick children, or family emergencies.

Note: Absent hours accumulate for both excused and unexcused absences.

Make-Up Policy: Students who request a day off are allowed to make up those hours with permission on a day they are not otherwise scheduled to maintain their original graduation date. Please note, however, that make-up hours DO NOT excuse absent hours.

LEAVE OF ABSENCE

A leave of absence (LOA) is approved on a case-by-case basis in recognition of the wide variety of circumstances under which they may or may not be appropriate or conducive to the overall learning goals for the student and the school.

Students may take one three-month leave of absence with a one-week notice for an emergency only.

The student must submit a request for medical or family emergency absence in writing. The school reserves the right to refuse an LOA without written medical authorization. Suppose a student on an approved LOA notifies the school that they will not be returning. In that case,

the withdrawal date will be the earlier date of expiration of the LOA or the date that the student notifies the institution that they will not be returning. If a student does not return from an LOA, they will be automatically withdrawn 14 days from their expected return date.

There is a considerable amount of "academic counseling" built into this program. Because the nature of the instruction is relatively intimate and direct, students will inevitably glean a significant amount of practical and valuable information from the Instructor during the training, especially, of course, in the practical instructional phase.

The required textbook and writing materials and any other required materials or equipment for practicum or additional instruction are the student's responsibility, are not provided by BAH, and are not included in the tuition.

Academic counseling is provided by or through instructors and the Director on occasion.

STUDENT RIGHTS AND GRIEVANCES

Students at the Bay Area Hair Institute, LLC enjoy all the rights and privileges mentioned elsewhere in this catalog, including the right to cancel or withdraw, a reasonable refund in such circumstances, and the benefits of being a student at the school.

However, it is recognized that, even with a favorable ratio of instructors to students, a dispute may arise concerning the instruction or school policy or practice that a student perceives as unfair or damaging.

If the student complaint is not resolved within a reasonable period, for example, within three to five days, or before the need for the student to complain again, the Instructor will advise the student that the complaint must be provided in writing if it hasn't been already. At that point, the Instructor will provide the student with a written summary of the official complaint policy, as described in this catalog.

If a student complains in writing, the Bay Area Hair Institute, LLC will provide a written response within ten days of receiving the student complaint. The written response will include a summary of the school investigation and disposition of the complaint. If the complaint or relief requested by the student is rejected, specific reasons will be given for the rejection.
